

Residential Energy Efficiency Measures

| Home Energy Efficiency Rebate Program Measures | |
|--|---------------|
| Measures | Rebate Amount |
| Refrigerator CEE Tier 2 or Higher | \$ 50.00 |
| Clothes washer CEE Tier 3 or Higher | \$ 50.00 |
| Room AC Energy Star Qualified | \$ 50.00 |
| Central natural gas furnace 90% AFUE or greater | \$ 100.00 |
| Central natural gas furnace 90% AFUE or greater with variable-speed motor | \$ 200.00 |
| Wall Insulation final level R-13 or greater | .15/sq.st. |
| Electric water heater Energy Factor of .91 or greater dependind on gallons | \$ 100.00 |
| Natural gas water heater Energy Factor of .62 or greater | \$ 100.00 |
| Heat pump water heater | \$ 250.00 |

| Multi Family Energy Efficiency Rrebates (MFEER) Sub Program | |
|---|-----------------|
| Measures | Rebate |
| Ext Fxt Porch Light (13-18 Watt) (#4723) | \$30/fixture |
| Ext Fxt Porch Light (19-27 Watt) (#4722) | \$30/fixture |
| Faucet Aerators | \$1.25/each |
| Low-Flow Showerhead | \$5/each |
| W/H-Boiler Controllers = < 34 Units | \$700 |
| W/H-Boiler Controllers = > 35 Units | \$1,400 |
| Screw-in Compact Flourescent Reflector R-30 13-23 Watt | \$8/each |
| Screw-in Compact Flourescent Reflector R-40 13-23 Watt | \$10/each |
| Int FI Fxt >= 30 Watt (#4721) | \$40/fixture |
| Int FI Fxt 22-29 Watt (#4722) | \$40/fixture |
| Interior LED Lamps MR16(Up to 6W) | \$5.00 /lamp |
| Interior LED Lamps MR16(7 to 10W) | \$12.50 /lamp |
| Interior LED Lamps PAR-20(Up to 10W) | \$12.50/ lamp |
| Interior LED Lamps PAR-30(Up to 15W) | \$ 7.50/ lamp |
| Interior LED Lamps PAR-30(16 to 21W) | \$17.50/Lamp |
| Interior LED Lamps PAR-30(16 to 21W) | \$10.00/Lamp |
| Interior LED Lamps PAR-38(17 to 22W) | \$20.00/Lamp |
| Interior LED Lamps PAR-38(23 to 25W) | \$20.00/Lamp |
| Interior LED Lamps A-Lamp (up to 7W) | \$5.00/Lamp |
| Interior LED Lamps A-Lamp (8 to 10 W) | \$5.00/Lamp |
| Interior LED Lamps A-Lamp (11W) | \$15.00/Lamp |
| Interior LED Lamps A-Lamp (12 to 17W) | \$15.00/Lamp |
| Interior LED Lamps A-Lamp(18 to 30W) | \$15.00/Lamp |
| Energy Star-labeled Ext Hardwire Fxt 13-18 watts | \$30/fixture |
| Energy Star-labeled Ext Hardwire Fxt 19-27 watts | \$30/fixture |
| Bi-Level Stairwell/Hall/Garage Fixtures | \$15.00/Fixture |
| Occupancy Sensors (Wall,ceiling or plug type) | \$10/each |
| Photocells | \$10/each |
| Energy Star- Labeled Ceiling Fans With Energy Star CFLS | \$10/each |
| Low-flow Showerheads | \$5/each |
| Central System Natural Gas Boilers | \$1,500 |
| Central Heat Pumps | \$100 |

| Residential New Construction (RNC) Sub Program | |
|--|------------|
| Comprehensive whole-home incentive | Calculated |

| Heating, Ventilation and Air Conditioning (HVAC) Subprogram | |
|---|---------------|
| Measures | Rebate Amount |
| ACCA 4 Assessment | \$ 150.00 |
| QM Efficient Fan Control | \$ 100.00 |
| Condenser Coil Cleaning | \$ 50.00 |
| Airflow Correction | \$ 350.00 |
| Refrigerant System Service | \$ 50.00 |
| Blower Motor Retrofit | \$ 220.00 |
| One Year QM Service Agreement | \$ 50.00 |
| Quality Installation Tier 1 | \$ 750.00 |
| Quality Installation Tier 2 | \$ 1,000.00 |
| Quality Installation Tier 3 | \$ 1,250.00 |

Residential Energy Efficiency Measures

| Energy Upgrade California | |
|---|---|
| Energy Upgrade California (EUC) Program | Measure |
| Energy Upgrade California™ Home Upgrade | Home Upgrade Air Sealing |
| Energy Upgrade California™ Home Upgrade | Home Upgrade Attic Insulation and Attic air plane sealing |
| Energy Upgrade California™ Home Upgrade | Home Upgrade Duct Sealing |
| Energy Upgrade California™ Home Upgrade | Home Upgrade wall insulation |
| Energy Upgrade California™ Home Upgrade | Home Upgrade Duct Insulation |
| Energy Upgrade California™ Home Upgrade | Home Upgrade Floor Insulation |
| Energy Upgrade California™ Home Upgrade | Home Upgrade Low-Flow showerhead with Thermostatic-activated valve |
| Energy Upgrade California™ Home Upgrade | Home Upgrade Heating and Cooling Systems |
| Energy Upgrade California™ Home Upgrade | Home Upgrade Domestic Hot Water Systems |
| Energy Upgrade California™ Home Upgrade | Advanced Home Upgrade Air Sealing |
| Energy Upgrade California™ Home Upgrade | Advanced Home Upgrade Attic Insulation and Attic air plane sealing |
| Energy Upgrade California™ Home Upgrade | Advanced Home Upgrade Duct Sealing |
| Energy Upgrade California™ Home Upgrade | Advanced Home Upgrade Wall Insulation |
| Energy Upgrade California™ Home Upgrade | Advanced Home Upgrade Floor Insulation |
| Energy Upgrade California™ Home Upgrade | Advanced Home Upgrade Duct Insulation |
| Energy Upgrade California™ Home Upgrade | Advanced Home Upgrade Low-Flow showerhead with Thermostatic-activated valve |
| Energy Upgrade California™ Home Upgrade | Advanced Home Upgrade Heating and Cooling Systems |
| Energy Upgrade California™ Home Upgrade | Advanced Home Upgrade Domestic Hot Water Systems |
| Energy Upgrade California™ Home Upgrade | Advanced Home Upgrade High Performance Dual Pane Windows |
| Energy Upgrade California™ Home Upgrade | Advanced Home Upgrade Cool Roof |
| Energy Upgrade California™ Multifamily | Hard wired permanently installed high efficacy lighting |
| Energy Upgrade California™ Multifamily | Space Heating Equipment |
| Energy Upgrade California™ Multifamily | Space Cooling Equipment |
| Energy Upgrade California™ Multifamily | Efficient Motors (Roof top fan motores, Air Handlers, etc.) |
| Energy Upgrade California™ Multifamily | Controls (Boiler Controls) |
| Energy Upgrade California™ Multifamily | Duct sealing and insulation (Ducts outside of thermal envelope, not between floors) |
| Energy Upgrade California™ Multifamily | Pipe Insulation |
| Energy Upgrade California™ Multifamily | Electric storage water heaters |
| Energy Upgrade California™ Multifamily | Central system natural gas water heaters (affecting living space) |
| Energy Upgrade California™ Multifamily | Natural gas water heater and/or boiler controls |
| Energy Upgrade California™ Multifamily | Natural gas storage water heater (affecting living space) |
| Energy Upgrade California™ Multifamily | Water heater replacement (affecting living space) |
| Energy Upgrade California™ Multifamily | Recirculation Pump |
| Energy Upgrade California™ Multifamily | Control for recirculation pump |
| Energy Upgrade California™ Multifamily | Building Leakage reduction (blower door directed air sealing, sealing only ext. surfaces) |
| Energy Upgrade California™ Multifamily | High Performance Dual Pane Windows (Operable) |
| Energy Upgrade California™ Multifamily | High Performance Dual Pane Windows (Inoperable) |
| Energy Upgrade California™ Multifamily | Attic insulation: Batt, board, loose fill |
| Energy Upgrade California™ Multifamily | Attic insulation: spray foam |
| Energy Upgrade California™ Multifamily | Wall Insulation: Blown (dense pack), Spray Foam |
| Energy Upgrade California™ Multifamily | Wall insulation: Blown Loose Fill, Board |
| Energy Upgrade California™ Multifamily | Floor Insulation: Batt, Board, Spray Foam, Blown in Blanket |
| Energy Upgrade California™ Multifamily | Cool roofs/ radiant barriers |
| Energy Upgrade California™ Multifamily | Refrigerators (Energy Star Qualified) |
| Energy Upgrade California™ Multifamily | Dishwasher (Energy Star Qualified) |

Residential Energy Efficiency Measures

| Primary Lighting | |
|--|-----------------------------------|
| Product | Max Incentive/Unit |
| Qualified Basic CFL Bulb <31 Watts with lumens +800 / 800-1099 / 1100-1599 / 1600+ | \$0.90 / \$1.20 / \$1.65 / \$1.90 |
| Qualified CFL A-line, Globe, Reflector, Candle with lumens +800 / 800-1099 / 1100-1599 / 1600+ | \$2.5 / \$2.75 / \$3.25 / \$3.50 |
| Qualified CFL Bare Bulb >30 Watts with lumens > 1600 | \$3.50 |
| Qualified CFL Bulb, 3-way with lumens +800 / 800-1099 / 1100-1599 / 1600+ | 2.5 / \$2.75 / \$3.25 / \$3.50 |
| Qualified CFL Bulb, dimmable with lumens +800 / 800-1099 / 1100-1599 / 1600+ | 2.5 / \$2.75 / \$3.25 / \$3.50 |
| Qualified Interior Hardwired Fluorescent Fixture with lumens + 1,099 / > 1,100 | \$5 / \$10 |
| Qualified Exterior Hardwired CFL Fixture with lumens + 1,099/ > 1,100 | \$5 / \$10 |
| Qualified Torchiere Floor Lamp or Plug-in Fixture > 1,600 lumens | \$10 |
| Qualified LED MR/16 Bulb | \$10 |
| Qualified LED PAR/BR20 Screw-in Bulb | \$10 |
| LED PAR/BR20 Screw-in Bulb Meeting All CEC Quality Standards | \$15 |
| Qualified LED PAR/BR30 Screw-in Bulb | \$10 |
| LED PAR/BR30 Screw-in Bulb Meeting All CEC Quality Standards | \$15 |
| Qualified LED PAR/BR40 Screw-in Bulb | \$10 |
| LED PAR/BR40 Screw-in Bulb Meeting All CEC Quality Standards | \$15 |
| Qualified LED Omni directional A-line Screw-in Bulb | \$10 |
| LED Omni directional A-line Screw-in Bulb Meeting All CEC Quality Standards | \$15 |
| Qualified LED Recessed Retrofit Kit | \$10 |
| LED Recessed Retrofit Kit Meeting All Applicable CEC Quality Standards for Reflector Floods | \$15 |
