

A  Sempra Energy utility®

Critical Peak Pricing (CPP)
Event Notification Information

In addition to posting alerts on its website, SDG&E® will provide notice of CPP events to customers by 3:00 p.m. the day before a CPP event is activated. Receipt of such notices shall be the customer's sole responsibility.

SDG&E does not guarantee the reliability of the e-mail system, phone system or Internet site by which the customer receives notification. Complete this section to designate the method of communication you are requesting for this particular service address. CPP notifications can be made through e-mail and/or cell phones with text service. You may also opt to receive an automated phone call. You can choose up to three contacts for each communication type per service address.
