

## Contractors Qualified to Perform Backfill of Gas Trench (G.O. 112F)

Updated January 3, 2018

This list is provided for convenience only, and the contractors are not endorsed or preferred by SDG&E. This is not a complete list of contractors who are qualified.

Any contractor with a valid Veriforce Field Verification Report (FVR) with the appropriate Backfilling qualifications is qualified to perform the backfill. Contractors must provide this Verification upon request and keep a copy of this on the job site at all times.

This list was accurate as of the date shown above. Qualifications are subject to expiration and/or suspension therefore should be verified prior to engaging the services of any of the listed companies. To obtain the most current list of qualified contractors, visit the SDG&E website at <http://www.sdge.com/builder-services/builder-services-resources> and open the PDF document, *Customer Contractors Qualified to Perform Backfill of Gas Trench (GO 112 F) (pdf)*.

### Contractors Qualified to Perform Backfill of Gas Trench (G.O. 112F)

Updated January 3, 2018

This list is provided for convenience only, and the contractors are not endorsed or preferred by SDG&E. This is not a complete list of contractors who are qualified.

Any contractor with a valid Veriforce Field Verification Report (FVR) with the appropriate Backfilling qualifications is qualified to perform the backfill. Contractors must provide this Verification upon request and keep a copy of this on the job site at all times.

Company	Address	Telephone	Email/Website
