

# Demand Response Action Mechanism (DRAM)

[sdge.com/dram](https://sdge.com/dram)

The California Public Utilities Commission approved SDG&E offering a DRAM pilot to third party aggregators. The aggregators would participate directly in the California Independent System Operator market comprising of customers in SDG&E's service area.

## **Qualifications/eligibility**

Any SDG&E customer, whether they receive commodity business service from SDG&E or another Energy Service Provider, is eligible.

## **How to participate**

Visit [sdge.com/dram](https://sdge.com/dram) for more information and to see the list of service providers. Select one of the service providers listed on the page, contact them and they will describe their offering and the enrollment processes and help you fill out the required forms.
