

Permanent Load Shifting

sdge.com/pls

Incentives for businesses to permanently shift their on-peak load to off-peak using Thermal Energy Storage Systems.

Qualifications/eligibility

These incentives are open to all SDG&E customers who must:

- Be on a Time-of-Use (TOU) rate
- Have an SDG&E smart meter or an approved interval meter

How to participate

Visit sdge.com/pls to learn more and to complete the Permanent Load Shifting application
